REQUIREMENTS FOR A MINOR IN INSURANCE

The minor in Insurance is offered by the Department of Finance and is open to students of all majors (business and non-business). The minor includes 9 credits of foundation courses and 9 credits of electives which must be selected from a list of insurance related courses. Students must complete the minor course requirements shown below with a minimum cumulative GPA of 2.0.

Students pursuing the insurance minor are encouraged (but not required) to seek internships with our insurance industry partners and may be eligible for insurance scholarships. Once you register as a student in the insurance program, you will be provided more information on these opportunities. To register as a participant in the insurance program please complete an Insurance Program Registration Card and deliver it to the Department of Finance.

Instructions to student: When you have registered for your *last* course for the minor, fill in the requested information below and attach a copy of your transcript. Deliver both to the Department of Finance, BC 221 for approval. **DUE** no later than the course registration deadline of semester in which you intend to graduate. (The minor will not appear on your final transcript unless you fulfill this requirement.)
