## INSURANCE STUDENT NEWSLETTER

### Albuquerque Educational Seminar

We are looking for two more seniors to attend an educational seminar in Albuquerque presented by the Independent Insurance Agents of New Mexico. There will be a variety of classes in property/casualty, life/health, sales and management issues. Most of these qualify for continuing education credit for those of you that are licensed.

This is a great opportunity to network with insurance professionals from all over the state. All costs except your transportation to Albuquerque will be paid by the Insurance Center including meals and lodging at the Marriott Pyramid North. You will need to man the NMSU booth for short periods of time.

If you are interested please contact Al Berryman as soon as possible so that we can register for your choice of classes.
